

## Retirement Announcement

It is with mixed emotions that we announce that as of December 1<sup>st</sup>, 2015 Mrs. Leslie Klein has retired. Mrs. Klein worked for the Langley School District for over 45 years, and spent the last five years of her professional career in the Homestay Department. Mrs. Klein will be greatly missed by colleagues and students.

We have all benefited from her incredible energy, love and passion for our International Students. She will be sorely missed and impossible to replace.

We all extend our best wishes to Mrs. Klein as she starts a new chapter in her life.
